About us and our co-operator in Hong Kong

We focus on professional company formation and related corporate business services. Our company registration services cover companies with jurisdictions in United Kingdom, Hong Kong and more than 20 other tax-free offshore countries such as British Virgin Islands (“BVI”), Cayman Islands, Seychelles, Samoa, Belize, Mauritius, Panama, Cyprus and many others. We aim to cover all aspects of business incorporation, from formation to auditing to trusteeship- our 18 years of experience means that we have seen it all and can help your company grow in the best environment.

In addition to our company registration services, our well-trained management and service teams offer highly professional business services in the following areas:

Accounting and Auditing Services

We fully understand tax law in Hong Kong, China and BVI and know the ins and outs of tax liability and loopholes. We also offer full corporate audits to keep your company running profitably and smoothly.

Business Bank Account Registration

We have cultivated relationships with numerous local and international banks. When you work with us, you will receive the best service and rates at all of our partner banks.

Trade Support Services

We have 16 years of experience with a multitude of companies and has gathered a wide variety of contact in almost every sector. We can introduce you to various contacts in complimentary or supporting industries.

Virtual Office Services and Other Business Support Services

We offer full virtual office packages as well as other services to ensure that your company runs smoothly. You benefit from our bi-lingual secretary, email and fax forwarding and prestigious address in Hong Kong.

Mainland China Company Registration Services

Opening a company in China can be a difficult. Let our knowledgeable staff smooth the way with our thorough understanding of Chinese Law and familiarity with common issues that may arise during the incorporation process.

Company Management Services

If you travel extensively or plan to manage your business from overseas, we can act as manager while you are away. Contact us to find out more about absentee company management and see our success stories.

Our aim is to satisfy our customers completely by facilitating their success. We are dedicated to providing quality, reliable and cost-effective one-stop business solutions for clients who wish to open businesses in China, Hong Kong and the BVI. Other companies may offer similar services but do not have our experience and connections. With our network of supporting companies and contacts in banking and finance, you can be sure that our service is the best available.
